Subject: RE: Smoky Canyon Mine RI/FS Tech Memo #2 Agencies Comments 1

Hi Art,
This was definitely a lot of comments to put together! Whew.
Given the depth and breadth of comments, could we perhaps have an Agency meeting with Simplot to go over the main areas of revision needed and ensure we are on same page, and clarify any of their questions to get a better product back? Otherwise as you know we seem to get stuck in the endless back and forth revision loop.
Thanks,
Jennifer
